(Administered in the Archdiocese of St Andrews and Edinburgh by the Society of St Paul)

MISSION STATEMENT

Following the example of St Joseph, our Patron and Protector, we, the parishioners of St Joseph's collaborate with God's loving plan for ourselves and for those living in the territory of the parish through an attentive listening to God's Word and proclaiming the Good News of Jesus Christ in word and deed.

We respond to the call of Christ by:

- Meaningful and lively liturgical celebrations for God-experience and personal transformation
- Listening to God's Word and discerning His will as individuals and as community
- Upholding Christian values of love, justice and peace in every aspect of our lives.
- Committing ourselves to a life-long journey of faith and taking up opportunities to grow in faith.
- Supporting and strengthening family life
- Caring for the sick and weaker members of our community
- Creating a safe environment where everyone feels valued and cherished
- Proclaiming the Good News to our neighbourhood and collaborating with other communities faith
- Encouraging and enabling every member of our parish to place their gifts at the service of the community.
- Promoting an ethos of welcome to those visiting, resident and those moving into the area.
