Our Wee Community: *In Rome for a meeting this week, I picked up a booklet of talks given by Pope Francis to seminarians and young priests. He urged them not to be 'functionaries of the sacred' and to come out of the sacristy and the parish office. He also urged them not to become 'old bachelors'! He definitely has a way with words.*

Somebody gave me a receipt for nibbles at a parish event, and I want to repay them. But I've forgotten who it was. Please come forward if you know who you are. Old age is creeping on.
